

**Genuine LOCATOR® Attachment Systems for Neodent® CM Implants
Now Available Through Zest Retail and Distribution**

Carlsbad, CA – (December 17, 2018) – Zest Dental Solutions® announces that dental clinicians and laboratories can now order LOCATOR®, LOCATOR R-Tx®, and LOCATOR F-Tx® components for Neodent®, a Straumann® Group brand, Cone Morse Implants directly from Zest or a Zest Distributor.

The innovative and award-winning LOCATOR Attachment System was launched 17 years ago. Since then, Zest has added LOCATOR abutments for the majority of implant systems and now offers abutments for over 250 implant connections and more than 75 companies worldwide. As of December 16, 2018, customers can order the Zest Products for Neodent CM Implants directly from Zest or a Zest Distributor. Products include LOCATOR, the next generation LOCATOR R-Tx Removable Attachment System and the revolutionary LOCATOR F-Tx Fixed Attachment System. All systems include abutments for the Cone Morse platform used with the CM Implants.
