

**New Year, New Website – Zest Dental Solutions Launches New Website
Inclusive Of Its Expanded Product Offerings**

Carlsbad, CA – (January 24, 2018) – Zest Dental Solutions, the leader in innovative dental solutions for a continuum of patient care announced today the launch of a new company website.

Zest Dental Solutions is widely known for its innovative, functional products for overdenture treatment. Throughout the past two years Zest Dental Solutions has expanded the breadth of its product portfolio with acquisitions in restorative consumables and equipment products further strengthening its solutions-based product offerings. This expansion led to a new name and now a new website. The new Zest Dental Solutions Website at www.zestdent.com encompasses all of Zest's Product Portfolios (Zest Anchors, Danville Materials, Perioscopy) and was designed with the customer in mind featuring the following new attributes:

- Mobile responsiveness for viewing across multiple mobile devices
- Quick selection of a Zest Product Portfolio (Zest Anchors, Danville Materials, Perioscopy) with simplified content.
- Elevated and modern esthetics that re-inforce the Zest Dental Solutions Brand and present a unified web presence.
- Improved functionality with clear navigation and streamlined menus
- Increased visibility for Zest Customer Service Information, Continuing Education Courses, Tradeshow Attendance, and Industry Product Awards

Please visit www.zestdent.com for an elevated web experience with Zest Dental Solutions Products.
